# THEFT PROTECTION SYSTEM

## DOES A THEFT PROTECTION PLAN MAKE SENSE FOR ME?

Hundreds of thousands of powersports are stolen each year. The true cost of theft goes well beyond the loss of your vehicle. Insurance companies often only cover your vehicle's market value at the time of loss, leaving you with large, out-of-pocket expenses such as deductibles, interest on your existing loan, plus the down payment and sales tax for your replacement vehicle.

## HOW IT WORKS\*

This Theft Protection System is a highly effective way of deterring thieves from targeting your vehicle and will be installed on your vehicle before you leave the dealership. Our Theft Protection System has flexible terms so you can choose a plan that is right for you. Select a term from 1-6 years and up to \$5,000 benefit. The following illustrates how the Theft Protection System can cover costs related to the theft of your vehicle.

Insurance deductible	\$1,000
Payoff deficiency	\$2,000
Replacement vehicle costs (down payment, sales tax and other fees)	\$2,000
<b>Potential Expense</b>	<b>\$5,000*</b>
<b>Theft Protection System Benefit</b>	<b>(5,000)</b>
<b>Amount You Owe</b>	<b>\$0</b>

\*Always review and refer to your agreement for complete coverage details.

## FROM START TO FINISH

- 1 Traceable, DNA stickers are strategically placed on your vehicle, at a dealership.
- 2 Warning decals are placed on vehicle, visibly indicating the vehicle is protected to deter theft.
- 3 If the stickers are removed, invisible identification numbers will be left behind, which can easily be traced by law enforcement if the vehicle is found.
- 4 In the event your vehicle is stolen and unrecoverable, or recovered and is a total loss, you can take advantage of the Theft Protection System Limited Warranty benefit, up to \$5,000.
